BRIGGS&STRATTON®
TECHNOLOGY

STEP 1 Read the InfoHub Installation Manual

Visit briggsinfohub.com/support to view this and other support documents

STEP 2 Record Your Module Information

Fill out the "InfoHub" and "Equipment" tables on back cover of this guide. This information will be needed when setting up your InfoHub account.

STEP 3 Install Your InfoHub Hardware

Reference the Installation Guide for step-by-step installation instructions

STEP 4 Create or Update Your Account

Visit briggsinfohubct.com and select the New User and Module Registration link to either create or update your subscription

STEP 5 Confirmation

After creating a new account, you will receive an email with your InfoHub Portal login credentials
Whether you've created a new account or added modules to an existing account, the new modules will be visible upon your next InfoHub Portal login on the Dashboard tab within the Unassigned Device group
